REGIONAL STUDENT PRODUCTION AWARDS

STANDARD RULES AND REGULATIONS

PURPOSE: To recognize outstanding student achievements in production by conferring awards of merit in the chapter's designated award region. The presentation of these awards is intended to be an incentive for the continued pursuit of excellence by those studying media and journalism and to focus public attention on outstanding cultural, educational, technological, entertainment, news and informational achievements by undergraduate college and/or high school students.

ELIGIBILITY:

1. Programs or program segments conceived, produced and executed by students at a high school or technical/vocational school within the Chapter's designated award area are eligible for student award consideration.

3. No professional services may have been employed in the production of the entry.
4. Faculty involvement can only be advisory.
5. Entrants must be enrolled as a full-time student as of the entry **during the eligibility period.**
6. Students may enter work that was produced as a class assignment, extra-curricular assignment or in conjunction with their academic experience.
7. Students who perform *professional* work may enter their work in the professional awards competition, provided they meet all eligibility requirements.
8. No entry may be submitted to more than one Chapter's awards.
9. The entry does not need to have been broadcast, cablecast or webcast to be eligible.
10. Entries must be submitted as they were originally transmitted.
11. There may not be any post-broadcast changes, except edits for time, as noted on the category descriptions that follow.
12. There is no limit to the number of entries a school may submit in each category.
13. Pornographic, violent, defamatory or offensive material is not accepted. The interpretation of the Awards Committee is final and absolute.
14. Ineligible entries may be disqualified during any phase of the competition.

STUDENT PRODUCTIONS: Students are not considered peer professionals and as such, their regional student productions are not eligible for Emmy® award recognition. If material is produced as part of a class, for which school credit is received, they are considered a student. If they are paid or working on a project with other "professionals," and want to enter the Chapter's Emmy® Award competition, they cannot enter as a student, but instead must pay the appropriate entries fees as an active NATAS member (or non-member). The student is then prohibited from entering subsequent student production categories with other classmates. Student award recipients from any NATAS Chapters' high school or college competitions may not use the Emmy® name or replica of the Emmy® figure in any form of commercial advertising or promotion for their recognition.

SUPPORTED VIDEO FORMATS

WMV (WMV, WMV2, MSMPEG, VC-1)

MOV (Sorenson Video 3, H263, H264, animation) (Certain MOV files have audio encoded such that they cannot be transcoded without loss of sync with the video)

MPEG4 (mp4, 3ivx, DivX, Xvid, H264)

FLV (VP6 and Sorenson Spark)

DV and DVCPro

3GP (mobile phones)

MPEG1 and MPEG2

NOT SUPPORTED - A few formats we occasionally encounter, but NOT supported are:

Quicktime (MOV) files that use the Apple ProRes codec (part of Final Cut). This codec also produces extremely large files. We advise to do a rough export from Final Cut Pro.

Export these files using either raw DV or H264/AAC Quicktime.

Quicktime (MOV) files with 24-bit audio.

DRM protected files from Microsoft (WMV) or the iTunes Store (M4V, MOV).

CSS encrypted DVD images (VOB).

WMV videos using the MSS2 video codec (for screencasting)
