AWARDS

THE NATIONAL ACADEMY

ARTS & SCIENCES

BOSTON/NEW ENGLAND
CHAPTER

Saturday, June 4, 2022

Welcome to the 45th Annual Boston/ New England Emmy® Awards. We are thrilled to be with you in person at the historic Wang Theatre to award excellence in the television industry with the distinguished Emmy® Award. It certainly has been a challenging couple of years. Tonight, we honor not just your work, but your resilience, dedication, and sacrifice to tell important stories, to educate and to entertain us all. You have exceeded the expectations of the viewers in this region with your ability to work under the most difficult times.

Special congratulations to our Governors’ Award Recipient John King, Chief National Correspondent and Anchor of Inside Politics at CNN. We are thrilled to have the opportunity to celebrate his distinguished career which began here in Boston.

Thank you to the many judges and individuals including our Board of Governors, our Administrator, Jill Jones, and Blink Creative, all of whom made this night possible. Congratulations to all who are honored in tonight’s celebration. We hope you will enjoy seeing friends and colleagues in person as you celebrate our nominees and winners.

Enjoy the show!

GOVERNORS' AWARD RECIPIENT

John King is CNN's chief national correspondent and anchor of Inside Politics, an hour-long program featuring a panel of top-tier political correspondents that airs weekdays at noon.

An award-winning journalist, King has covered the past nine presidential elections and has reported from all 50 states and more than 70 countries.

King is pivotal to the network's daily reporting and breaking news coverage and participates in major events such as CNN's 2020 Election Night in America coverage. Past campaign experience includes moderating three presidential primary debates in 2012. This past election was the fourth cycle in which King's reporting included use of CNN's "Magic Wall," which was first introduced in 2008 and was also integral part of the network's Emmy award-winning 2012 election night coverage.

King joined CNN in May 1997 and became chief national correspondent in April 2005. He served as CNN's senior White House correspondent from 1999 to 2005, where his duties included reporting on the Iraq war and the September 11th terrorist attacks. Before joining CNN, King was an Associated Press correspondent for 12 years with stints in Providence and Boston before moving to Washington. His AP duties included several major international events, including the Persian Gulf War, and serving as lead political correspondent for the 1992 and 1996 presidential elections.

King is a native of Boston and earned a bachelor's degree in journalism from the University of Rhode Island. He also has been awarded honorary doctorate degrees from URI, American University and Hobart and William Smith Colleges.

At the bottom right, "EMMY AWARDS" is written in large white letters. At the very bottom, the text "NATIONAL ACADEMY OF TELEVISION ARTS & SCIENCE" is in white, followed by the slogan "Love. It's what makes Subaru, Subaru." and the website "To locate a Subaru Retailer near you, visit SubaruOfNewEngland.com".
